

Eastern Suburbs Pre-Primary School was established in 1937 to provide quality early learning development to children in Pretoria. We follow the CAPS Curriculum and believe that children learn best through play, which forms the core of our teaching philosophy.

The school offers day-care for babies from 4 months and pre-school for children from 1 year to Grade R.

The school has qualified teachers and assistants in each class.

Included in the fees are 2 full meals, breakfast, and lunch, as well as two snacks per day.

We are open from 6:30 am - 5:30 pm, Monday to Friday and remain open during the school holidays, only closing in December when the public schools close.

Additional extra murals are offered such as Ballet and swimming lessons. Playball is included in our curriculum for all the children.

We have a play therapist and speech therapist that work from the school.

We believe that children learn best through play, and this is the core of our teaching philosophy.

With spacious grounds and big airy classrooms, this is a school every child will love.

Eastern Suburbs Pre-Primary School is an NPO and is managed by a board of parents. All revenue received is put back into the school for the benefit of the children.
