

Eastern Suburbs Pre-Primary School was established in 1937 to provide quality early learning development to children in Pretoria. We follow the CAPS Curriculum and believe that children learn best through play, which forms the core of our teaching philosophy.

The school offers day-care for babies from 3 months and pre-school for children from 1 year to Grade R.

The school has qualified teachers and assistants in each class.

The children receive 2 full meals, breakfast, and lunch, as well as two snacks per day.

We are open from 6:30 am - 5:30 pm, Monday to Friday and remain open during the school holidays, only closing in December when the public schools close.

Eastern Suburbs is a Non-Profit Organisation and 98% of the beneficiaries are Black South Africans, scoring us a Level 1 on the Specialised EME affidavit and ensuring all donations receive full recognition for our donors on the Socio-Economic element of the B-BBEE scorecard.

A Section 18A certificate is also available on request for donations made to the school.
